PART III.

Legislative Measures and Rules thereunder.

NOTIFICATIONS.

No. 269—L. C., dated 2nd April 1919.

Under Rule 31 of the Rules for the conduct of business of the Mysore Legislative Council, the accompanying Bill further to amend the Mysore Forest Regulation, 1900, is published for general information with the statement of objects and reasons.

By Order,
P. MAHADEVAYYA,
Secretary, Mysore Legislative Council.

Bill further to amend the Mysore Forest Regulation, 1900.

Whereas it is expedient further to amend the Mysore Forest Regulation, 1900; His Highness the Maharaja is pleased to enact as follows:—

Amendment of section 2 of the Regulation.

1. In sub-section (5) (*a*) of section 2, the words "sandalwood oil" shall be inserted after the words "wood oil."

Amendment of section 75 of the Regulation.

2. For the present section 75 the following shall be substituted;—

75. No person shall manufacture, distil, redistil, refine or sell oil from sandalwood or undertake to manufacture, distil, redistil, refine or sell oil extracted from sandalwood without a license in that behalf to be granted by such authority and subject to such restrictions and conditions as the Government may from time to time prescribe.

STATEMENT OF OBJECTS AND REASONS.

The Mysore Forest Regulation, XI of 1900, as amended by Regulation IX of 1901, contains provisions for controlling the sale, transit, export and import of sandalwood but not of sandalwood oil.

As sandalwood oil is now extracted from sandalwood produced in the State in the factories which Government have established for the purpose, it is necessary to amend the Regulation so as to enable Government to take such action as they may consider expedient in the interests of these commercial concerns. The present Bill is designed to meet the above object.
